**TO:** Finance Committee/Common Council **SUBMITTED BY:** Jennifer Rogers, City Clerk

**DATE:** June 3, 2019

**TITLE:** "Class B" Liquor and Class "B" Beer Liquor License Renewal Applications for

licensing year July 1, 2019 through June 30, 2020

\_\_\_\_\_

**RECOMMENDED ACTION:** Consider approving the renewal liquor license applications listed, contingent on successful background check, completion of fire inspections and payment of any outstanding debt owed to the City.

**BACKGROUND:** 3 Liquor license renewal applications are listed for approval for the licensing period of July 1, 2019 through June 30, 2020. All liquor, beer and wine licenses expire on June 30<sup>th</sup> and must be renewed annually. Applications are available for inspection upon request at the Clerk's office.

At a minimum, a separate motion is needed for each class of license. If you wish to pull and table a license to a subsequent Council meeting, that license will need a separate motion. Amendments and modifications to a license should be clearly stated in the public record.

License Types: The following definitions from state law may be helpful:

<u>Fermented Malt Beverages:</u> Any beverage made by the alcohol fermentation of an infusion in potable water of barley malt and hops, with or without unmalted grains or decorticated and degerminated grains or sugar containing 0.5% or more of alcohol by volume.

<u>Intoxicating Liquor:</u> All ardent, spirituous, distilled or vinous liquors, liquids or compounds, whether medicated, proprietary, patented or not, and by whatever name called, containing 0.5% or more of alcohol by volume, which are beverages, but does not include "fermented malt beverages".

<u>Class "B"</u> licensees may sell beer to consumers for on-premises or off-premises consumption. Fee: \$100 per year.

<u>"Class B"</u> licensees may sell intoxicating liquor to consumers by the glass for on-premises consumption, and sales may also be made for off-premises consumption in quantities not exceeding four liters at any one time.

Fee: \$500 per year.

Granting Authority and Timing: All licenses are issued by authority of the City Council.

By considering licenses at the June 3, 2019 Common Council meeting, staff and applicants are afforded time to address any contingencies before the current license expires. The City Clerk's department will issue the license only when all requirements have been met.

### "Class B" liquor and Class "B" Beer license

### **MOTION**

Grant renewals for the "Class B" liquor and Class "B" Beer license applications contingent on a successful background check, completion of fire inspections and payment of any outstanding debt owed to the City at the time of issuance.

This motion will grant a license to the following applicants:

Corporation/LLC Individual/Partnership	Trade Name	Address	Agent/Individual Partnership
Azul Tequila, Inc.	Azul Tequila Bar & Grill	2421 Hanley Rd. Ste.100	Jose O. Guzman
Cinema Entertainment Corp.	CEC Theatres- Hudson 12 Theatre	520 Stageline Rd.	Carolyn Francois
Redtail Enterprises, LLC	Milwaukee Burger Company	2420 Gateway Ct.	Jacob Schlub

### CITY OF HUDSON, WISCONSIN

### **NOTICE OF HEARING**

Notice is hereby given that the Common Council will consider the following liquor license application at the June 3, 2019 Common Council meeting at 7:00 pm in the Council Chambers located at City Hall, 505 Third Street. Opportunity shall be given to any person to be heard for or against the granting of any license.

### RESERVE "CLASS B" LIQUOR/ CLASS "B" BEER LICENSE (Full Liquor) – New Application

Dominick Paul Rode Omerta 9 E. Canyon Dr. 523 2<sup>nd</sup> St.

Hudson, WI 54016 Hudson, WI 54016

Persons having any objections to the granting of such license may file their objections with the City Clerk, 505 Third Street, Hudson, WI, 54016, on or before the 31<sup>st</sup> day of May 2019.

Dated this 10<sup>th</sup> day of May 2019

**TO:** Finance Committee/Common Council

**FROM:** Jennifer Rogers, City Clerk

**DATE:** June 3, 2019

TITLE: Request for a Reserve "Class B" Liquor and Class "B" Beer License- 7 One 5, LLC

dba Omerta, 523 2<sup>nd</sup> St.

**Issue:** Grant or deny by motion the request for issuance of a Reserve "Class B" Liquor and Class "B" Beer License to 7 One 5, LLC dba Omerta, 523 2<sup>nd</sup> St.

**Background:** The following definition from State Law may be helpful:

"Class B" licensees may sell intoxicating liquor to consumers by the glass for onpremises consumption. If the municipality enacts an ordinance under WI State Statute 125.51(3)(b), sales may also be made for off-premises consumption in quantities not exceeding four liters at any one time. Wine, however, may be sold for consumption offpremises in the original package or container in any quantity regardless of whether the municipality has adopted an ordinance for carryout liquor sales. Fee: \$500.00/year

<u>Class "B"</u> licensees may sell beer to consumers for on-premises or offpremises consumption. Fee: \$100.00/year

<u>Reserve "Class B" liquor</u> - authorizes the same sales as non-reserve licenses but carry an additional initial issuance fee of \$10,000 plus the annual "Class B" liquor license fee.

City Council has the authority, and may use broad discretion, to grant or deny all liquor licenses within the City of Hudson. Valid reasons for denial of a new retail license are based on concern for the public health, safety, and welfare of the community.

**Discussion:** On April 12, 2019, D3VEC, LLC dba Cheers Pablo, voluntarily surrendered their Reserve "Class B" liquor and Class "B" Beer license. A Notice of Availability of Alcoholic Beverage License was published in the Hudson Star Observer on April 25, 2019 and May 2, 2019.

7 One 5, LLC submitted an application for the Reserve "Class B" Liquor and Class "B" beer license for the premises located at 523 2<sup>nd</sup> Street. The property was previously utilized as a jewelry store. The property will be renovated to create a traditional restaurant space, open bar, storage room and office space.

Included with this memo is the application and supplemental applications. All corporations and limited liability companies applying for an alcoholic beverage license must appoint an Agent. The Agent is given full authority and control over the licensed premises and over all commercial activities on the premises relating to alcoholic beverages.

Dominick Paul Rode, president and CEO of 7 One 5, LLC, dba Omerta, is applying as Agent and is a satisfactory candidate.

**Conclusion:** By motion, the Council may grant or deny the request for issuance of the Reserve "Class B" Liquor and a Class "B" Beer License to 7 One 5, LLC dba Omerta for the premises of 523 2<sup>nd</sup> Street contingent on payment of applicable fees, successful fire and building inspection and payment of any outstanding debt owed to the City.

REGARDING: Application for Secondhand Article Dealer License- Hunter Bjorkman

### **ISSUE:**

Applications for Secondhand Article Dealers are on file at the City Clerk's office and are available for inspection upon request. If approved by Council, the license will be issued contingent upon successful completion of a background check and payment of any outstanding debt owed to the City.

The ecoATM is an automated kiosk that collects unwanted or used cell phones, tablets and MP3 players for instant cash, ranging from a few dollars for older models to a few hundred for newer models depending on condition.

Upon examination of the device, the ecoATM will provide a cash offer for the device based on model, condition and current market value. A camera on the ecoATM will capture multiple images of the seller. The serial number of the devices is collected and verified to confirm that the device hasn't been reported lost or stolen. A valid government issued ID is required for every transaction.

### STAFF RECOMMENDATION:

Approve the issuance of a Secondhand Article Dealer to ecoATM for Hunter Bjorkman at the address of 2222 Crestview Drive (inside Walmart 1365) for the licensing period of May 21, 2019 to December 31, 2019.

Employees will move to the next step on the schedule on the first payroll date following their anniversary date, until they reach the maximum. Movement between steps on the scale is predicated on a successful performance review by meeting expectations in all performance areas.

The salary schedule may be adjusted by cost-of-living or other factors on a periodic basis by the Common Council.

If a current employee assumes one of these positions, they will be placed at the start rate and years of service will be determined by service in that position.

New employees will be placed at the start rate. The Council may approve a higher start rate, up to the three-year rate, for new salaried employees if they feel experience or other factors warrant a higher rate.

### CITY OF HUDSON COUNCIL/COMMITTEE ISSUES

Item #

Submitted to: Common Council

**Date**: 05/30/19

**Submitted by**: Chief Geoff Willems

Regarding:

In March of this year the Hudson Police Department was involved in a pursuit attempting to apprehend a subject who was the target of an investigation from MN/DEA task force operation who was located in a Hudson. A pursuit was initiated after attempting to stop the vehicle and in the process of that pursuit the Hudson Police squad car collided with the suspect vehicle. The insurance company decided to total out that squad car and I am asking to replace it. The insurance company paid the city \$32,149.71. I have attached quotes to build out a replacement squad that we currently have unmarked in our fleet that we use as an administrator vehicle. I plan to replace the administrative vehicle with a lease vehicle currently assigned to our drug investigator and I would like to replace the drug investigator vehicle but purchasing a new vehicle. I put out RFP and received one response, from Hudson Chrysler. The response to the RFP is attached. I am requesting the purchase of the 2018 Dodge Journey in the amount of \$19,999.00. I have also attached a quote to outfit this vehicle with lights, radio, and siren. The total cost of building the current admin vehicle into a squad car, the purchase of the 2018 Dodge Journey and the outfitting of that vehicle will be within the insurance payment so there would be no budget impact.

**TO:** Common Council

**FROM:** Community Development Department

**DATE:** June 3, 2019

**SUBJECT:** Discussion and possible action on a salary reclassification for the City

Engineer position.

### **BACKGROUND:**

After two unsuccessful recruitments for the vacant City Engineer position and further study of recent recruitments in nearby communities, staff is recommending a reclassification of the City Engineer position. Existing approved salary range is \$74,358 - \$82,620. Proposed range is \$91,800 - \$102,000 which would be the same salary schedule as the Community Development Director. This already approved position would bill at a set rate directly to developers for the majority of tasks. Its estimated that the budget impact would be negligible. If private development pace slows down, more of the workload would shift to general municipal engineering projects that are currently outsourced to our consulting engineering firms. The successful hiring of a City Engineer will still require the use of our consulting engineering firms for many of the public and private projects and reviews but would allow for the City to do significantly more civil engineering work in-house and provides a technical point of contact to City consultants.

### **ACTION REQUESTED:**

Approve the City Engineer reclassification.

Prepared by: Mike Johnson, AICP, Community Development Director
